

The Taste range

Innovative takeaway food packaging
from our food to go range

Huhtamaki

Taste just got better!

Counter service trays are now part of the range. The range includes takeaway trays as well as hot boxes and sandwich packs, suitable for hot and chilled foods.

Takeaway trays

- Scalloped on one side and easy grip feature on the base for easy eating on the go.
- Lightweight yet strong and rigid - allows easy eating straight from the pack.
- Small tray is greaseproof lined offering excellent grease resistance for a wide range of food.
- Medium & large trays are PET lined and the webbed corners means that the trays are leakproof.

The eating out market is forecast to grow by an estimated 17% looking ahead to 2019* and our Taste range supports this growing trend in the food to go sector.

The selection of products fits a growing need for varied and popular food types that we've come to enjoy on the high street.

* Mintel Eating Out Review June 2015

Takeaway trays & food to go boxes without windows are ovenable & microwavable up to 220°C & can be used in a hot counter. Heat tolerance to be tested on customer premises.
