

# Easy Tear Everywhere Healthcare

When it comes to healthcare products, the integrity of your packaging is paramount. Easy Tear Everywhere Healthcare is an innovative new material that can be opened smoothly with no tear notch or perforation required and without compromising reliability.

**Huhtamaki**

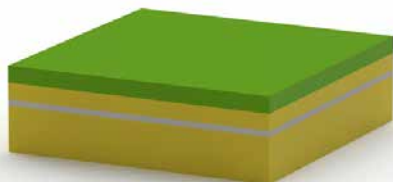

# Comfort and convenience where it's needed most

Give your customers a simpler, easier way to open sachets and stick packs. Easy Tear Everywhere Healthcare is a joy to handle. It feels gentle between the fingers and enhances the product experience.

## The Huhtamaki advantage

- Easier to use than a tear notch, because the full width of the package can be opened
- Tears open smoothly and easily from any point on one side of the package, or from the fin-seal
- Ideally suited to high-speed stick pack machines
- Requires no changes at packaging line
- Requires no tear notch
- Protects your product from oxygen and moisture
- Available in many shapes and sizes
